Chapter 1 by The Ginger

Once upon a time, a story was told, as so often stories are. And this particular story all began with the fanciful imagination of a girl named Wendy, and the simplest, yet most impossible, set of directions:

"Second to the right, and straight on till morning."

That, Wendy was told, was the way to the Neverland. But even the stars, who of course new their rights from their lefts, could not have found the Neverland based solely on these upside-down, topsy-turvy instructions.

Forever after, when Wendy would tell her tale of the Neverland, she would squint up forlornly at the sky, as if to search for that one star. However, she could never quite be sure just which star it was second to the right to. The stars would chuckle at her, because they knew she would never find it again. "Being a grown-up makes the Neverland ever so hard to find," Wendy would sigh, and then continue on with her story.

"They flew away to the Neverland, which is the land all children are."

But we won't continue with Wendy's story, because you're probably quite familiar with it. Wendy saw to it that all little boys and
